### Certification

I DECLARE UNDER THE PENALTY OF PERJURY under the laws of the State of Missouri and the United States of America that the foregoing information in the application is true and correct, that I am authorized to sign this application on behalf of applicant and that the signature below is my own true and correct signature made by me and no other person. If over 120' long, I attest that a representative from our company has physically driven the route to be used while traveling under permit and all turns, curves, etc. can be safely negotiated. I understand that if the Superload does encounter problems negotiating such, my company will be charged a new bridge study and permit fees and may result in the denial of future Superload applications. I also understand that failure to run survey will result in denial of this application.
